DIRECTIONS for MEASURING

Be sure to leave room for growth in ALL measurements. Please CAREFULLY read the directions for the **GIRTH measurement**...this is the most important measurement for costume ordering. Without your child's measurements we will have to GUESS their size. In almost all cases, exchanges are not possible so PLEASE take time measure carefully!

- **BUST:** Measure the fullest part of the bust, keeping the tape measure parallel to the floor.
- **WAIST:** Measure around the natural waist, not over shirt or pants.
- **HIPS:** Measure around the fullest part of the buttocks, keeping tape straight and parallel to the floor.
- **GIRTH:** Measure **AROUND** the torso, starting at center of one shoulder, down the front through the crotch and up the back to starting point forming a **COMPLETE CIRCLE** around the torso! Hold tape loosely to allow movement in shoulders.
- **INSEAM:** Measure inside of leg, from crotch to just below ankle bone.
